Socioculturally Attuned Family Therapy

Guidelines for Equitable Theory and Practice

**Teresa McDowell**, Lewis & Clark Graduate School of Education and Counseling, Oregon, USA, **Carmen Knudson-Martin**, Lewis & Clark Graduate School of Education and Counseling, Oregon, USA and **J. Maria Bermudez**, University of Georgia, USA

Socioculturally Attuned Family Therapy addresses the need for socially responsible marriage and family therapy that infuses diversity, equity, and inclusion throughout theory and clinical practice. The text begins with a discussion of societal systems, diversity, and socially just practice. The authors then integrate principles of societal context, power, and equity into the core concepts of ten major family therapy models, paying close attention to the "how to's" of change processes through a highly diverse range of case examples. The text concludes with descriptions of integrative, equity-based family therapy guidelines that clinicians can apply to their practice.
